Back in 1922, when we met in Paris, ooh là là, ooh là là,
I fell in love with you

Back in 1923, when we made it "our Paree"
the champagne flowed, we felt so free, le jour et la nuit

Paris in the '20s, c'est bon, c'est bon, scoobi-doobi-doo
Paris in the '20s, c'est bon, c'est bon, scoobi-doobi-doo
Scoobi-doobi-doo, scoobi-doobi-doo, scoobi-doobi-entre nous

Back in 1925, I know we never said goodbye
I had to leave, oh ma chérie, far across the seas

Back in 1926, it's been so long since our last kiss,
where are you now? It's you I miss and Boulevard Saint-Germain

CHORUS

Then one day, your letter, letter arrived
how Paris swoons over you
Our old flame will burn again
and soon I'll be back with you!

Back to Paris in '28, left behind the Empire State,
cause the Eiffel Tower just looks so great, standing here with you

The world was ours in '29, stock market crashed, while Paris dined,
let's have another glass of wine, as long as I'm with you

Paris in the '20s, c'est bon, c'est bon, scoobi-doobi-doo
Paree we love you, c'est bon, c'est bon, scoobi-doobi-doo
Scoobi-doobi-doo, scoobi-doobi-doo, scoobi-doobi-entre nous
